DETAILED ACTION

Response to Arguments

1. Applicant's request for reconsideration of the finality of the rejection of the last Office action (Appeal brief dated 03/05/07) is persuasive and, therefore, the finality of that action is withdrawn.

Allowable Subject Matter

2. Claims 1-19 have been allowed.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

The prior art of record issued to Herring and Fuller either alone or combine fails to teach or suggest "a system of distributing electronic content comprising: a network operations center generating a broadcast signal having digital electronic content; a communication backbone coupled to said network operations center, a base station receiving said broadcast signal from said backbone and forming a wireless local area network, said base station over-the-air rebroadcasting at least a portion of said broadcast signal as a rebroadcast signal using said wireless local area network; and a user appliance positioned with said wireless local area network and receiving said rebroadcast signal said user appliance having conditional access software therein, said conditional access software allowing the user appliance to access the rebroadcast signal" as cited in claim 1 and its corresponding methods as in claims 13 & 16; and "a base station comprising: a receiving antenna for receiving electronic content; compression software for compressing the electronic content into a compressed signal within the base station; conditional access software accessing the electronic content ; a transmitting local area network

Art Unit: 2618

antenna; and a wireless local area network interface coupled to the transmitting local area network antenna and wirelessly broadcasting the compressed signal through the local area network antenna as a compressed wireless rebroadcast signal" as cited in claim 19.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
